Version 1.0.5.31

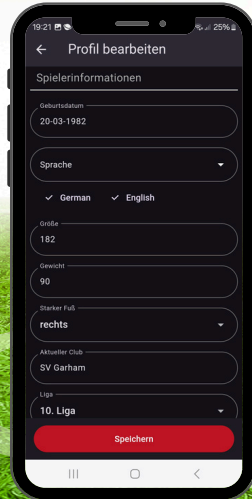

Edit profile

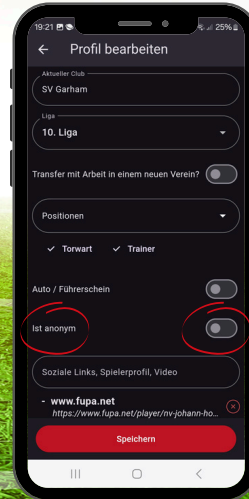

Edit data
Change photo

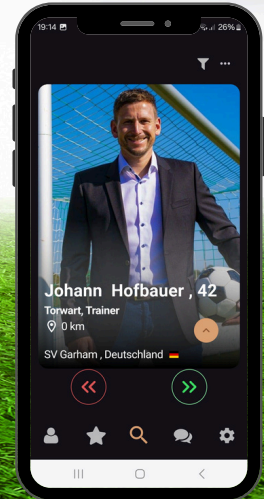

Data can be edited at any time and should always be up to date

Profile anonymous: does not show your name or your current club

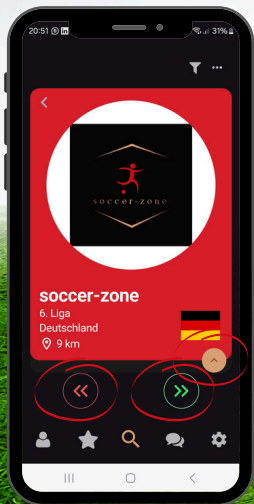

This is how clubs see your profile. A complete profile arouses more interest from clubs!

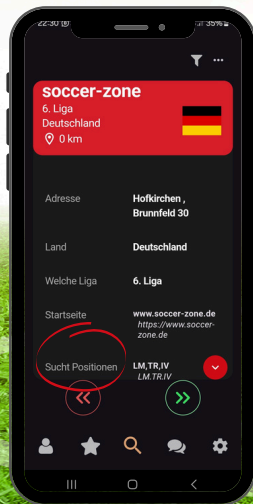

matching area

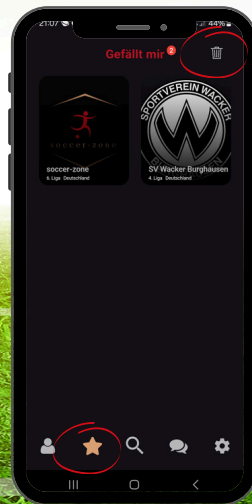

Swipe left to decline, right to like, and view the profile

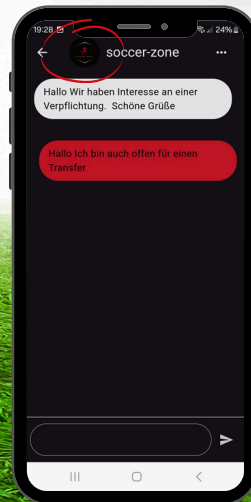

Club is currently looking for these positions

Overview of all liked profiles, reset list

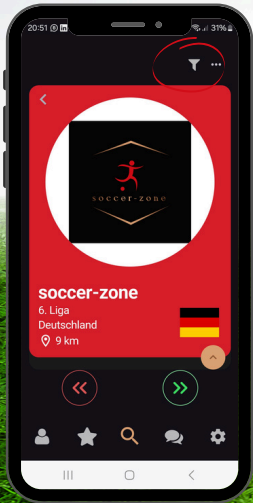

Chat function is activated when there is a match, click on profile photo to open profile

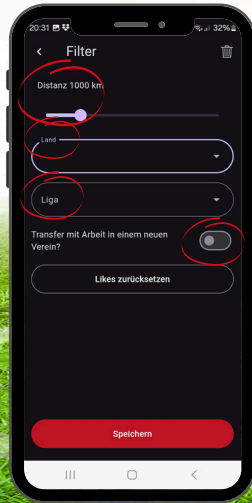

filter functions

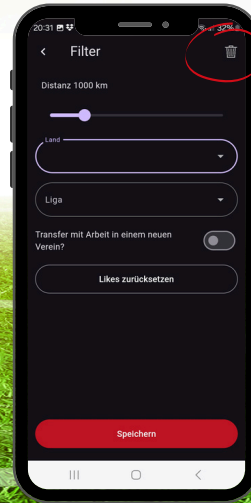

Targeted search via filter

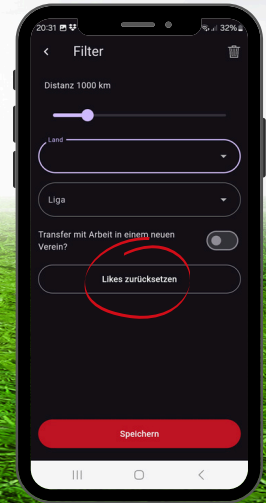

Set filter to:
Distance, country, current league of the club or clubs with workplaces

Barrel top right: all filter settings are reset

Reset: All club profiles are displayed again

FINDING A
CLUB IS SO
EASY
